### ADVISORY NO. 30

#### **Ban on Entry of Travelers from Countries with Confirmed Cases of COVID-19 B.1.1.7 or VUI 2020/12/01 Strains – including Germany**

With reference to the Philippines' Inter-Agency Task Force for the Management of Emerging Infectious Diseases (IATF-EID) Resolution No. 91 dated 29 December 2020, and with a view to protecting the health and safety of the Filipino people with regards to the risks posed by the new COVID-19 variant (B..1.1.7 or VUI 2020/12/01), the public is advised of the following:

1. **The temporary suspension of flights from, and the prohibition of entry on all travelers coming from or transiting through, the United Kingdom, which was imposed pursuant to IATF Resolution No. 90 issued on 23 December 2020 is extended until January 15, 2021, except as modified with reference to entry of Filipino citizens;**
2. **All foreign travelers coming from, or transiting through, the countries/jurisdictions listed below, or those who have been to these countries within 14 days immediately before arriving in the Philippines, are prohibited from entering the Philippines effective 0001H of 30 December 2020, until 15 January 2021:**
  - 1) Australia; 2) Canada; 3) Denmark; 4) France; 5) Germany; 6) Hong Kong SAR; 7) Iceland; 8) Ireland; 9) Israel; 10) Italy; 11) Japan; 12) Lebanon; 13) The Netherlands; 14) Singapore; 15) South Africa; 16) South Korea; 17) Spain; 18) Sweden; 19) Switzerland.
3. **All passengers coming from above-mentioned countries/jurisdictions, or those who have stayed in these countries/jurisdictions within the last 14 days, who are already in transit and will arrive in the Philippines before 30 December 2020, will be required to undergo an absolute 14-day facility-based quarantine, even when their COVID-19 test result after arrival in the Philippines is negative.**
4. **Filipinos coming from the above-mentioned countries/jurisdictions, or those who have been in these areas within the last 14 days before their arrival in the country, will be allowed entry to the Philippines but they are required to undergo an absolute 14-day facility-based quarantine, even when their COVID-19 test result after arrival in the Philippines is negative.**
5. The Philippines may add to the list of countries/jurisdictions as the situation develops and upon the joint recommendation of the Department of Health and the Department of Foreign Affairs.
6. Outbound travel to countries with reported new variants will be subject to the existing exit protocols of the Philippines as well as entry protocols of the respective countries.

Thank you.

29 December 2020, Berlin
